

# MSD 6 Demo™

This document will explain how to register and activate your MSD 6 Demo™.

# First time installation of your Martin ShowDesigner Demo

The procedure on how to install and activate your MSD consists of a few steps:

1. Download and install the MSD Demo software.
2. Register your MSD Demo to get the License Code.
3. Activate your MSD Demo with that License Code.

## 1. Download the MSD Demo software.

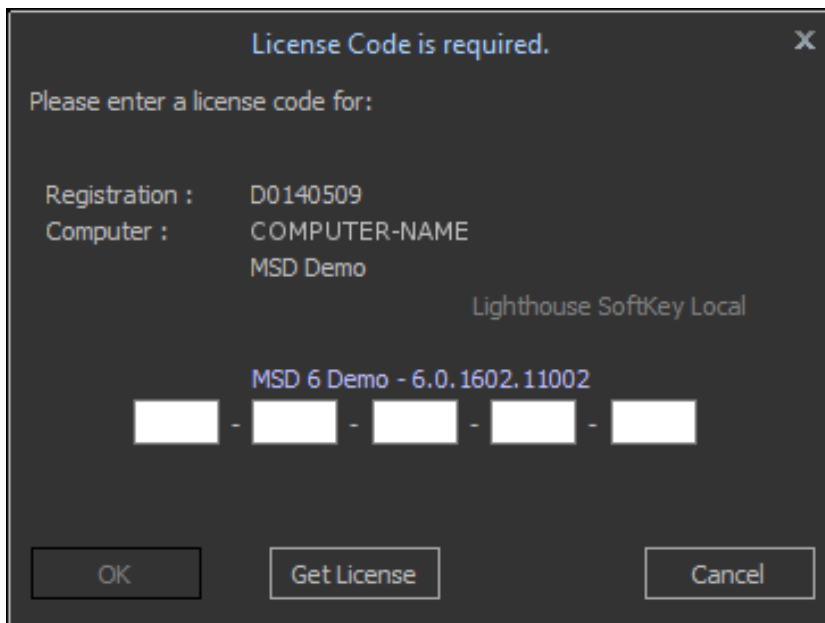

To get the latest version of the Martin ShowDesigner 6 Demo, please go the Lighthouse Holland website, using this link:

[MSD 6 Demo™](#)

This will take you to the download section on our website, with the latest full versions of MSD 6™. Please download MSD 6 Demo™ version.

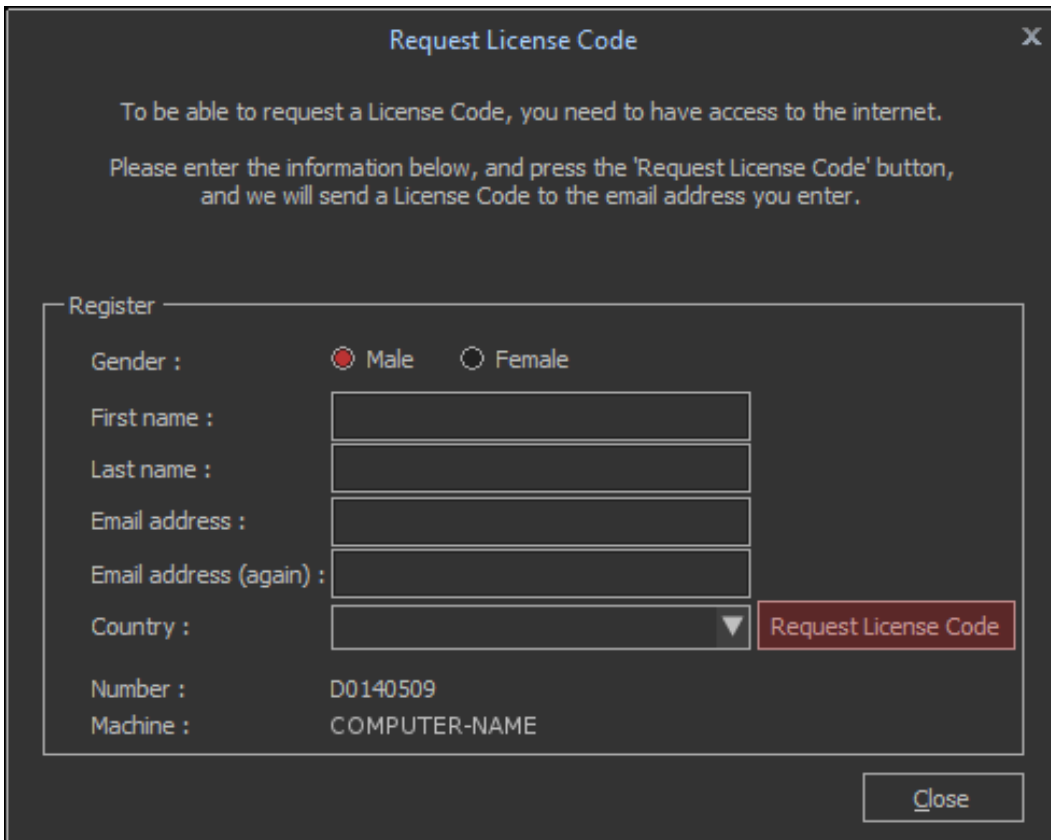

## 2. Register your MSD Demo to get the License Code.

When you now start the Martin ShowDesigner Demo, it will show you a window asking you for your personal License Code, something like this:

You need to register your MSD Demo to get your personal license code, which is needed to run MSD. To request such a license, press the '**Get License**' button.

A Registration dialog will be presented, something like this:

The dialog box is titled "Request License Code" and contains the following text and fields:

To be able to request a License Code, you need to have access to the internet.  
Please enter the information below, and press the 'Request License Code' button, and we will send a License Code to the email address you enter.

Register

Gender :  Male  Female

First name :

Last name :

Email address :

Email address (again) :

Country :

Number : D0140509

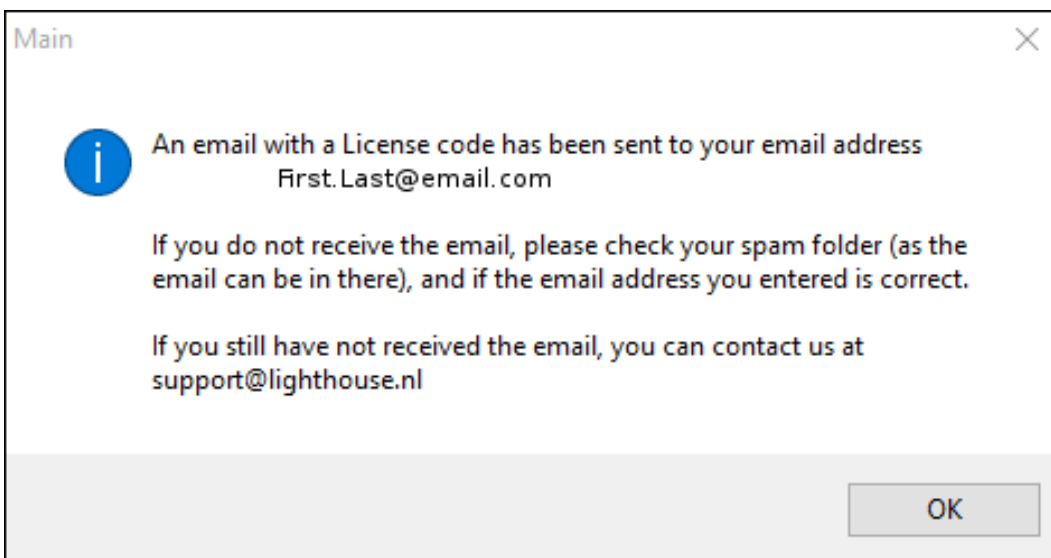

Machine : COMPUTER-NAME

Request License Code

Close

Please enter all the (required) fields, make sure that the email address is valid (as the License Code will be send to this address) and press the '**Request License Code**' button.

If everything goes well, you will get a notification that en email has been send to your email address, something like this:

The notification dialog box is titled "Main" and contains the following text:

An email with a License code has been sent to your email address  
First.Last@email.com

If you do not receive the email, please check your spam folder (as the email can be in there), and if the email address you entered is correct.

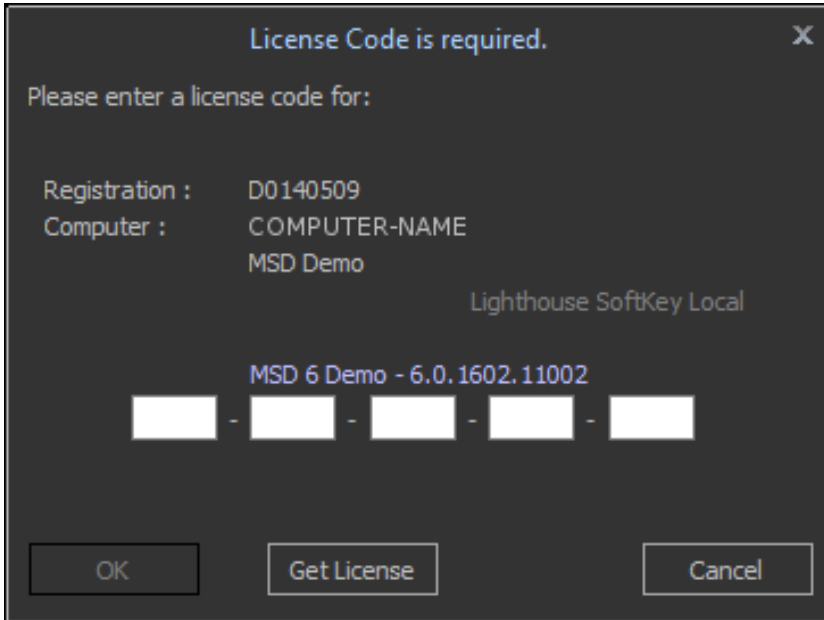

If you still have not received the email, you can contact us at  
[support@lighthouse.nl](mailto:support@lighthouse.nl)

OK

If you do not get the License Code email within 24 hours, please check your spam folder to see if it landed there, but if you did not get it, please contact us at [support@lighthouse.nl](mailto:support@lighthouse.nl).

### 3. Activate your MSD Demo with that License Code.

After you received the License Code, start the Martin ShowDesigner Demo again, where you get the License Code dialog:

The image shows a dialog box titled "License Code is required." with a close button (X) in the top right corner. The text inside the dialog reads: "Please enter a license code for:". Below this, there are two lines of information: "Registration : D0140509" and "Computer : COMPUTER-NAME MSD Demo". To the right of this information, it says "Lighthouse SoftKey Local". Below that, the text "MSD 6 Demo - 6.0.1602.11002" is displayed above five empty input fields, each separated by a hyphen. At the bottom of the dialog, there are three buttons: "OK", "Get License", and "Cancel".

Enter the 5 groups of digits of the License Codes in the appropriate fields, and press the '**OK**' button.

After your License Code is accepted, you can start using MSD Demo.
